**Subject:** Discovery Packet requests

Hello,

I believe you were the custodial chemist for the below listed analysis'. Can you please put together a discovery packet including all reports, notes, charts, etc as well as your CV for the 4 lab numbers below. With regard to the two cocaine analysis, I am also looking for information about what other substances were found in the crack to see if we can show that the single rocks were the same make up as the 14 plastic bags found in a separate location. You can either email me the packets as a PDF or create a hard copy that I will have an investigator pick up, which ever is easier for you. Here are the lab numbers:

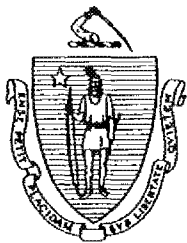

Thanks

Tonya
